

THE hi-fi SHOW

Live 2018

Now in its sixth year, and with more new exhibits, the UK's only high-end audio show gathers pace as the 'who's who' of world-class hi-fi plan their debuts

SME, now under new ownership, has been working on something very special indeed – its first 'all-in-one' turntable package, complete with Nagra-designed phono stage. The Synergy will be unveiled at the Hi-Fi Show Live...

The design genius of Andrew Jones, has catapulted ELAC's loudspeakers into A-list stardom. The Adante AF-61 with its coincident driver array and interport-coupled cavity bass begs to be auditioned at the Hi-Fi Show Live

In addition to the regular habitué of *Hi-Fi News*, the Hi-Fi Show Live also plays host to brands new to our shores – including the massive, modular pre/power onslaught that is Emotiva with its XPA-DR series platform. Come and hear what all the fuss is about...

The latest addition to Audio Research's revered Reference range – the REF160M monoblock tube amps – are this month's cover star [p34]. For the chance to experience the sound of quad KT150s (per channel) then you must visit the 2018 Hi-Fi Show Live!

You can read all about the sophisticated, DSP-governed active THREE standmounts from Kii Audio on p40, but the first chance you'll get to actually hear them, complete with active BXT bass modules, will be at this year's Hi-Fi Show Live

10-11th November
